of Correction

Sir:

It is respectfully requested that a Certificate of Correction be issued in connection with the above-identified patent. It appears that the error noted is a mistake of a typographical nature, and was made by the attorneys for the Applicant. The mistake was made in good faith and correction thereof would not constitute new matter or require reexamination. Accordingly, two copies of the special Certificate of Correction are attached hereto. It is believed that the error noted is an error of consequence involving the filing date of the provisional application to which this patent claims priority, and thus warrants the granting of a Certificate of Correction.

Please charge Deposit Account No. 18-0013 the \$100.00 fee set forth in 37 C.F.R. § 1.20(a). If additional costs are required, please treat this as authorization to charge such further costs.

Respectfully submitted,
